About Us.

Hurok Marble established in 1981, is one of the leading companies of the natural stone industry.

We have created an esthetically, elegant and stylish difference in our products by combining the culture of old civilizations with the newest production technologies.

We have production facilities in the City of Kutahya, Turkey with 24.000 m2 of enclosed production facilities and 80.000 m2 of open area where we cut and package our top quality natural stone products.

We have a total of 120.000 square feet of well-organized U.S. based distribution centers in South Florida to give faster and efficient logistical support to our clients in the United States, Canada, Mexico, Central America, South America and the Caribbean.

Sourced from the well-known quarries, we produce high quality travertine and marble products such as slabs, tiles, pavers, pool coping, patterns, mosaics and mouldings in a wide variety of colors, shades, sizes and finishes.

Mission

We offer the extraordinary beauty of natural stone at international quality standards in accordance with customer expectation

Vision

By utilizing our extensive experience and outstanding technological infrastructure, we eagerly aim to become the Pioneer in our sector, one of the leading companies in our country while respecting environmental values.
